

Olivia				
Task	Click Path	Observations	Quotes	Task Completion
Write the task number and directions here.	Record what path the participant took to complete the task.	Note down behaviors, opinions, and attitudes along with any errors, issues, or areas of confusion.	Note any significant quotes (positive and negative).	Choose if the task was: 1 - easy to complete 2 - completed but with difficulty 3 - not completed
Prompt 1: Navigate through Ethan’s website	Click Path: Participant navigated through the website smoothly, clicking on various sections and pages.	Observations: Participant explored the website with ease, looking for content of interest.	Quote: "I found it easy to explore different sections and find content I was curious about."	Task Completion: Easy to complete.
Prompt 2: Try to see more content on the website	Click Path: Participant used menus and links to access different content pages.	Observations: Participant seemed comfortable with using navigation menus.	Quote: "I wanted to see more options, so I clicked around the menus to find different content."	Task Completion: Easy to complete.
Prompt 3: Create an account	Click Path: Participant clicked on the "Create Account" button, entered required information.	Observations: Participant filled in the form fields without issues.	Quote: "Setting up the account was straightforward, and I didn't encounter any problems."	Task Completion: Easy to complete.
Prompt 4: Login your account	Click Path: Participant clicked on the "Login" button, entered credentials.	Observations: Participant quickly found the login form and entered their details.	Quote: "Logging in was a breeze, and I accessed my account without any trouble."	Task Completion: Easy to complete.
Prompt 5: Check account status, permissions and preferences	Observations: Participant filled in the form fields without issues.	Observations: Participant explored account settings and preferences, reviewing options.	Quote: "It was simple to find where I could manage my account details and preferences."	Task Completion: Easy to complete.
Prompt 6: Interact with your account	Click Path: Participant interacted with account features, made changes.	Observations: Participant seemed engaged with the account features.	Quote: "I liked customizing my account settings; it felt like I had control."	Task Completion: Easy to complete.
Additional Notes: Overall, Olivia found the usability of the login page to be user-friendly, with tasks completed without difficulty. The participant navigated through the website, created an account, logged in, and interacted with account features seamlessly. The design and layout of the page appeared to facilitate a positive user experience.				

Liam				
Task	Click Path	Observations	Quotes	Task Completion
Write the task number and directions here.	Record what path the participant took to complete the task.	Note down behaviors, opinions, and attitudes along with any errors, issues, or areas of confusion.	Note any significant quotes (positive and negative).	Choose if the task was: 1 - easy to complete 2 - completed but with difficulty 3 - not completed
Prompt 1: Navigate through Ethan’s website	Click Path: Participant initially hovered over main navigation items and then clicked on "Home" and "About Us" pages.	Observations: Participant appeared to hesitate before clicking, possibly exploring options.	Quote: "I wasn't sure where to start, but I clicked on 'login' to see what's there."	Task Completion: Completed with difficulty.
Prompt 2: Try to see more content on the website	Click Path: Participant clicked on blog posts and navigated to the "Gallery" section.	Observations: Participant showed interest in exploring different types of content.	Quote: "I wanted to dive deeper, so I clicked on a few blog posts and checked out the gallery."	Task Completion: Completed with ease.
Prompt 3: Create an account	Click Path: Participant clicked on "Login" and then on "Create Account."	Observations: Participant hesitated briefly when choosing the "Create Account" option.	Quote: "Setting up an account was straightforward, but it took me a moment to find the 'Create Account' link."	Task Completion: Completed but with difficulty.
Prompt 4: Login your account	Click Path: Participant clicked on "Login" and entered credentials	Observations: Participant seemed confident while typing in the login information.	Quote: "Logging in was easy; I remembered my details and got in quickly."	Task Completion: Easy to complete.
Prompt 5: Check account status, permissions and preferences	Click Path: Participant clicked on their profile name and explored the account settings.	Observations: Participant took time to review different options and read descriptions.	Quote: "I wanted to see what I can control, so I checked my account settings and permissions."	Task Completion: Completed with ease.
Prompt 6: Interact with your account	Click Path: Participant clicked on "My Orders" and added an item to the cart.	Observations: Participant showed interest in managing their orders and making a transaction.}	Quote: "I liked that I could see my past orders; I also added something to the cart to see how it works."	Task Completion: Completed with ease.
Additional Notes: Liam had a generally positive experience using the login page. While he encountered some difficulties during certain tasks, he was able to complete all prompts. Jane expressed curiosity and interest in exploring different content types and account features. Her interactions with the login page indicated a moderate level of comfort and familiarity, although there were a couple of instances where he hesitated or found a specific link less intuitively.				

Sophia				
Task	Click Path	Observations	Quotes	Task Completion
Write the task number and directions here.	Record what path the participant took to complete the task.	Note down behaviors, opinions, and attitudes along with any errors, issues, or areas of confusion.	Note any significant quotes (positive and negative).	Choose if the task was: 1 - easy to complete 2 - completed but with difficulty 3 - not completed
Prompt 1: Navigate through Ethan’s website	Click Path: Participant clicked on "Services" in the main navigation and then navigated to "Contact Us."	Observations: Participant seemed to follow a logical path and quickly selected services.	Quote: "I needed to find how to contact them, so I went through the 'Services' and found 'Contact Us.'"	Task Completion: Easy to complete.
Prompt 2: Try to see more content on the website	Click Path: Participant clicked on the "Blog" section and then on "Recent Articles."	Observations: Participant appeared to skim through article titles.	Quote: "I thought the blog might have interesting stuff, but I just clicked on a few recent articles."	Task Completion: Completed with ease.
Prompt 3: Create an account	Click Path: Participant clicked on "Login" and then searched for a "Create Account" option, eventually finding it.	Observations: Participant displayed some confusion while looking for the account creation link.	Quote: "I wanted to make an account, but it wasn't immediately obvious where to start."	Task Completion: Completed but with difficulty.
Prompt 4: Login your account	Click Path: Participant clicked on "Login" and entered incorrect	Observations: Participant initially mistyped credentials but quickly rectified the error.	Quote: "I messed up my password at first, but once I got it right, logging in was simple."	Task Completion: Completed with ease.
Prompt 5: Check account status, permissions and preferences	Click Path: Participant clicked on their profile name and navigated to "Account Settings."	Observations: Participant spent time exploring different sections of the account settings.	Quote: "I wanted to make sure everything's set up right, so I went through the account settings."	Task Completion: Completed with ease.
Prompt 6: Interact with your account	Click Path: Participant clicked on "My Orders" and added an item to the cart but couldn't find a way to remove it.	Observations: Participant showed interest in managing orders but faced a challenge in removing items.	Quote: "I could add stuff to the cart, but I couldn't figure out how to remove something I accidentally added."	Task Completion: Completed but with difficulty.
Additional Notes: Sophia's interaction with the login page showed a mix of smooth and challenging experiences. Although they encountered some difficulties, Sophia managed to complete all the prompts. Sophia's behavior indicated a willingness to explore content and account features but also revealed some confusion while searching for specific options.				

Jackson				
Task	Click Path	Observations	Quotes	Task Completion
Write the task number and directions here.	Record what path the participant took to complete the task.	Note down behaviors, opinions, and attitudes along with any errors, issues, or areas of confusion.	Note any significant quotes (positive and negative).	Choose if the task was: 1 - easy to complete 2 - completed but with difficulty 3 - not completed
Prompt 1: Navigate through Ethan’s website	Click Path: Participant clicked on the logo to return to the homepage, then clicked "About Us" and scrolled through the content.	Observations: Participant seemed interested in learning about the company's background.	Quote: "I started with the logo, then I wanted to know about the company, so I checked out the 'About Us' section."	Task Completion: Easy to complete.
Prompt 2: Try to see more content on the website	Click Path: Participant clicked on "Services" and then on "View All Services."	Observations: Participant looked through different service categories.	Quote: "I wanted to see everything they offer, so I went to 'Services' and clicked 'View All Services.'"	Task Completion: Completed with ease.
Prompt 3: Create an account	Click Path: Participant clicked on "Login" but couldn't find a clear link to create an account.	Observations: Participant appeared to struggle in locating the account creation option.	Quote: "I wanted to make an account, but I couldn't find where to start. It's not obvious."	Task Completion: Not completed.
Prompt 4: Login your account	Click Path: Participant clicked on "Login," entered credentials, and successfully logged in.	Observations: Participant completed the login process without any issues.	Quote: "Logging in was straightforward once I found the right section."	Task Completion: Easy to complete.
Prompt 5: Check account status, permissions and preferences	Click Path: Participant clicked on their profile name and navigated to "Account Settings."	Observations: Participant explored different sections of the account settings.	Quote: "I wanted to see what I can control in my account, so I went to 'Account Settings.'"	Task Completion: Completed with ease.
Prompt 6: Interact with your account	Click Path: Participant clicked on "My Orders" and added an item to the cart, then successfully removed it.	Observations: Participant seemed comfortable managing items in the cart.	Quote: "Adding and removing items in the cart was easy to figure out."	Task Completion: Easy to complete.
Additional Notes: Jackson's interaction with the login page revealed a mix of smooth and challenging experiences. While Jackson faced difficulty finding the account creation option, other tasks were completed with ease. Jackson's behavior indicated an interest in exploring different sections of the website and a willingness to interact with account features once found.				

Aiden				
Task	Click Path	Observations	Quotes	Task Completion
Write the task number and directions here.	Record what path the participant took to complete the task.	Note down behaviors, opinions, and attitudes along with any errors, issues, or areas of confusion.	Note any significant quotes (positive and negative).	Choose if the task was: 1 - easy to complete 2 - completed but with difficulty 3 - not completed
Prompt 1: Navigate through Ethan’s website	Click Path: Participant clicked on the navigation menu, selected "Products," and then chose a product category to explore.	Observations: Participant showed interest in the product offerings.	Quote: "I wanted to see what they sell, so I went to 'Products' and looked at the different categories."	Task Completion: Easy to complete.
Prompt 2: Try to see more content on the website	Click Path: Participant clicked on "Blog" and scrolled through several blog posts.	Observations: Participant spent time reading blog content.	Quote: "I like reading blogs, so I checked out their posts to learn more."	Task Completion: Completed with ease.
Prompt 3: Create an account	Click Path: Participant clicked on "Login" and found the "Sign Up" link to create an account.	Observations: Participant quickly located the account creation option.	Quote: "Creating an account was straightforward. I found the 'Sign Up' link easily."	Task Completion: Easy to complete.
Prompt 4: Login your account	Click Path: Participant entered credentials in the login form and clicked "Login."	Observations: Participant completed the login process without issues.	Quote: "Logging in was simple. Just entered my info and clicked 'Login.'"	Task Completion: Easy to complete.
Prompt 5: Check account status, permissions and preferences	Click Path: Participant clicked on their profile picture and accessed "Account Settings," exploring different sections.	Observations: Participant seemed curious about account features.	Quote: "I wanted to see what I can control. 'Account Settings' had what I needed."	Task Completion: Completed with ease.
Prompt 6: Interact with your account	Click Path: Participant clicked on "My Orders," selected a past order, and checked its status.	Observations: Participant navigated order history effectively.	Quote: "I like tracking my orders. Found the right section and checked my past order."	Task Completion: Easy to complete.
Additional Notes: Aiden's interaction with the login page highlighted a positive and smooth experience. Aiden navigated through different sections of the website with ease, indicating a strong interest in exploring products, blog content, and account features. Tasks were completed smoothly, and Aiden showed confidence in interacting with various aspects of the website.
